C G
Who can take your meter, **make** it wireless,
F C
Dirty up your current and then claim it's for the best?
F G C
The **Hy**dro Man . . . the **Hyd**ro Man can.
G F
The **Hy**dro Man can, 'cause he **mix**es it with things
C
That make you **think** it tastes good.

Who can take a **fam**ily, wrap them in a fog . . .
(a fog) Of **rad**iated frequencies we **call** electrosmog?
The **Hy**dro Man . . . the **Hyd**ro Man can.
The **Hy**dro Man can, 'cause he **mix**es it with things
That make you **think** it tastes good.
F C
The **Hyd**ro Man makes **ev**erything he bakes **sound** like it's es**sen**tial,
F C F G
Full of great po**ten**tial! (**Mo**tives confi**dent**ial.)

Who can take tomorrow, **say** it's "Smart" for you,
Ig**nore** new science, health concerns, and **charge** you extra, too?
The **Hy**dro Man . . . the **Hyd**ro Man can.
The **Hy**dro Man can, 'cause he **mix**es it with things
That make you **think** it tastes good.

Who can harm our neighbours, pets and wildlife too,
Microwave our children and de**ny** it could be true?
The **Hy**dro Man . . . the **Hyd**ro Man can.
The **Hy**dro Man can, 'cause he **mix**es it with things
That make you **think** it tastes good.

The **Hy**dro Man can, 'cause he **mix**es it with things
That make you **think** it tastes good . . .

And the **Hyd**ro Man can, 'cause the **Gov**ernment says he should . . .
